

# FIRST CHRISTMAS (THE MEANING OF IT ALL)

[words & music by Michael Davis]

CCLI: # 7164481

## VERSE 1

You came into the world without a home  
What kind of King would choose to leave His throne  
A heart of love  
Come down for us  
Such wonder in this manger from above

## PRE-CHORUS

Starry night  
Angels fly  
Savior born to rise

## CHORUS

The meaning of it all is found in You  
You came into this world with grace and truth  
Jesus our Messiah  
Come to make us righteous  
Join the angels' song and sing  
Hallelujah  
Hallelujah  
Hallelujah  
Peace on earth is here

## VERSE 2

The world we know would never be the same  
The light of heaven came and lit our flame  
Such saving grace  
He'd take our place  
That all the earth might come to know His name

## BRIDGE

Hallelujah  
Glory in the highest  
Hallelujah  
Glory in the highest  
Peace on earth is here  
Peace on earth He's here

## OUTRO

Glory in the highest  
He's here, glory in the highest
