

TEAR THROUGH THE VEIL

[Words & music by Michael Davis and Daniel Doss]

CCLI: # 7172541

VERSE

You put a tear through the veil
That was keeping me from You
With a nail in Your hands,
Your love has broken through

PRE-CHORUS

By Your wounds we are healed
This is how mercy was revealed
Perfect Lamb became the curse
The empty grave, the final word

CHORUS

How strong and how wide,
How deep is Your faithful love
Unchanging, unceasing
Your work cannot be undone, no

BRIDGE

There is nothing that could ever separate us (x4)
